David Holmes compiled annual lists for 1979 through 1986. Jane Coskren compiled lists for 1987 through 2003. Lists for 2004 - 2010 were compiled by Ward Ebert. Lists since 2011 have been compiled by Joe Hanfman. This does not include all Howard County records, but only those during the period 1979 to the present. The list is NOT updated until AFTER the end of the calendar year. Ruffed Grouse has been deleted from the 1980 annual list because all occasional reports in Howard County during the last 50 years are considered gamefarm-raised birds. (See Stewart and Robbins in Birds of Maryland 1958, p. 124.
