Directions to Marriottsville

Marriottsville Road

From US 29, go west on I-70 a little more than 4.0 miles to Exit 83 (Marriottsville North). (Approaching from the west, there is no exit from I-70; exit on US 40 east and turn left at the traffic light at Marriottsville Road.) Go north on Marriottsville Road 1.1 miles from I-70 to the traffic light at MD 99 (Old Frederick Road). From that intersection, continue north on Marriottsville Road 2.7 miles. Immediately north of the railroad tracks and before crossing the river, turn left (west) into a gravel parking lot. (Do not park south of the railroad tracks—it is private land.)
