

Publicity for Club Member-Led Overseas Travel Field Trips for Other HCBC members

HCBC Member organized overseas travel field trips intended primarily for other club member participation may be advertised through club channels if approved by the board on a case-by-case basis. Each approved announcement will include the following explicit caveat regarding the trips as part of the advertisement: "This is NOT an HCBC-sponsored travel trip and HCBC assumes no liability for any issues incurred as a part of trip planning or participation."
